

How Kiwanis Clubs can assist in financing the Foundation

1. Foundation Banner Patches

This system has functioned for a number of years. K10 and K20 banner patches are presented to Kiwanis Clubs who donate \$10 or \$20 per member in any year.

2. Foundation Fellowships

(a) Club Fellowships

A minimum donation of \$500 per club (or in two payments of \$250 over two years)

(b) Foundation Fellows

A member of a Kiwanis Club may become a Foundation Fellow by a minimum donation of \$500 (or three single payments of \$200 per year over three years)

In recognition of both types of Fellowships, a Foundation Fellowship banner will be maintained by the District Foundation to record the clubs and members who have made such contributions to the District Foundation. A similar banner patch will be provided to the club and member for attachment to the club's banner to acknowledge the importance of the Fellowship donation

The John D Griffen Fellowship

The most prestigious fellowship available from the Foundation for an individual is the John D. Griffen Fellowship.

This Fellowship, which may also be referred to simply as a Griffen Fellowship, has been established to commemorate the memory of John D. Griffen who was responsible for establishing the Kiwanis organisation in this part of the world.

A Griffen Fellowship may be acquired by gifting to the Foundation in one amount \$1000 or two payments of \$500 over a two year period.

The John D. Griffen Fellowship Club Award

The Club will receive a wall plaque as in all Griffen Awards and a banner patch dated the year of presentation. For subsequent years of donations for the "Griffen" club award by the same club, only a banner patch with the presentation date will be awarded to the Club.

A Griffen Fellowship Club Award may be acquired by gifting to the Foundation Trust in one amount \$1000 or two payments of \$500 over a two year period.
